A New Portrait.

PARIS KY., January 12, 1897.

I AM introducing a new portrait made by a new process. It is finer in finish than a large photograph made from life, which could not be produced for less than ten dollars; is beautifully colored in water colors and will never fade. I propose to make just fifty of these pictures, and to introduce them will make the following offer until Feb. 15th 1897:

I will make half dozen of my best cabinets and one (size 16x20 inches) above described portraits, with mat, complete, for \$6. You are not compelled to buy frame from me, but I can sell you frames cheaper than anybody, quality considered. Call and see these portraits. Respectfully,

L. GRINNAN, Photographer.
